Terms and Conditions

1. The auctioneer will settle any disputes as to bids.

2. Terms: Cash unless arranged before the sale between seller and buyer and clerk so notified.

3. Guarantee: All cattle are sold subject to a 60-day re-test for tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bangs within 30 days or have been calfhood vaccinated unless otherwise stated.

Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller, and, if after a test in the seller's herd he still fails to breed, he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of the sale are guaranteed to be breeders. Heifers should not be served by old or heavy bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.

4. The Sale Manager and Clerk act only as agents for the several consignors to the Sale in making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.

5. A Certificate of Registry and a signed Transfer will be furnished for each lot sold and an application for Registry will be furnished for each calf carried in dam or sold at side.

6. Neither the Sale Manager or the Association will be responsible for any injury or loss of any kind due to accident or fire. But every effort will be made to provide for the safety and comfort of our guests.

7. Each animal will be at purchaser's risk as soon as bid off, but will not be loaded until settled for.

8. Until further notice, owner of any club steer or club heifer purchased in a Central States Sale and winning breed Champion in any 4-H or FFA show, will upon notification of the Sale Manager, receive \$10.00 from the Central States Association.

9. It is my intention to manage a sale that is fair both to the buyers and the consignors. With this in mind, I respectfully ask that the following be observed. These are essentially the same rules as those in effect at the Hawkeye Downs Sales at Cedar Rapids, Iowa.

10. I ask that there be no by-bidding. Every person signing a sale card will be expected to make settlement for said purchase, and the animal in question will be transferred to buyer.

11. The consignor, if he wishes to do so, may place ONE bid only with the auctioneer, providing he does so before the auctioneer has declared the animal sold. In case of any animal not selling, sale expense will be figured on the basis of the last bid taken by the auctioneer. This sale expense must be paid, and a release obtained from the manager before the animal is removed from the barn.
